PRESS RELEASE

---

**Tinexta Group at the Needham Emerging Technology Conference  
21 and 22 May 2019 in New York**

**Rome, 20, May 2019.** Lawrence Kay, Director of communications and Group IR and Danilo Cattaneo, CEO, of InfoCert will present **Tinexta Group** at the Needham Emerging Technology Conference in New York, tomorrow and the day after tomorrow, to an audience of investors interested in digital innovation and advanced technological services for business.

**The Needham Emerging Technology Conference** - organised by Needham & Company - showcases public and private companies operating in the fields of advanced digital services, thereby allowing asset management teams to meet firsthand executives from a broad array of companies that operate on the cutting edge of technology.

Tinexta Group, with its 1,294 employees, listed on the Milan stock Exchange, revenues of €239.6 million and an EBITDA of €66 million in 2018, is one of the leading operators in Italy in the three areas of business: *Digital Trust, Credit Information & Management and Innovation & Marketing Services* and is constructing a pan-European leader in Digital Trust. The Group will present in New York, on May 21 and 22, its strategy and recent performance to the asset managers attending the Conference.
